3rd December 2009

Dear Parents/Carers

Tigers and Lions Update

With Christmas fast approaching we would like to let you know about some forthcoming events.

Lions and Tigers Christmas Story.

The children have been enjoying learning about the Christmas story and practising our songs. You are warmly invited to join us in St. Mary's Church on Tuesday December 15th at 9.30 a.m. The Church will be open from 9.00 a.m. so that you can keep warm while we dress the children!

Visit to Jack and Jill Pre-School

On Friday 18th December, Jack and Jill Pre-School have kindly invited us to watch their nativity. Please could you sign the permission slip to enable us to take your child to this. We will walk from school to the village hall, arriving for 10.00 a.m. It would be lovely if some parents could accompany us to the hall and back to ensure a ratio of 4 children per adult. Please see any member of the Foundation Team if you are able to help (sorry, no pushchairs).

Lions and Tigers Wow! Books

As explained at our workshop, your child will shortly be bringing home a Wow! Book to enable you to let us know about your child's learning and development side outside

school. Please ensure that the book is in your child's book bag every day. There is **no** pressure to write comments on a regular basis. Please do speak to us if you have any queries about how to use this book.

Bags of fun sessions

We hope that you have been enjoying these. The last session will be for Lion class on Thursday 10th December. Bags of fun will start again on Thursday 7th January for Tiger Class.

We look forward to seeing you at our celebration of Christmas. Congratulations to your children on a wonderful first term at school - they are amazing! Best wishes to you all and your families for a very happy Christmas and New Year.
