

06<sup>th</sup> September 2011

Dear Parents,

Key Stage 1 and 2 - Learning Group Information

Firstly, welcome to the new school year! This letter is geared towards updating you on a few events that are coming up early in the school calendar and to inform you of your child's Learning Group arrangements in English and maths this year.

We believe our Learning Group setup in school is special as:

- Learning is broken down into easy to manage chunks to help meet your child's specific needs.
- Tasks within a Learning Group can be different depending on how your child is getting on with a particular topic. This will help your child to feel secure as they build up to the main teaching points for each lesson.
- Teaching Assistant support ensures extra adult input and smaller Learning Groups to help your child reach their potential.

Learning Groups are not set in concrete, we are flexible around the needs of every child. If your child is feeling stressed or they are struggling with their learning the first port of call for discussion is always the Learning Group Teacher via a Wednesday Drop-In, bookable from the School Office. The Learning Group Teacher, together with myself as Assessment Leader, will then make a decision as to the best way forward.

Your child's Learning Group teachers this year are:

English Learning Group: \_\_\_\_\_

Maths Learning Group: \_\_\_\_\_

Another date for your diary this half term is Wednesday 5<sup>th</sup> October - **Parent Consultation Evening.**

This gives you the opportunity, should you wish, for an early discussion with your child's **Class Teacher**; please just drop into the School Hall between 6pm and 7.30pm - appointments are not being given. As it is very early in the term no Learning Books will be displayed in classrooms but you are more than welcome to walk around the school between discussions or whilst you're waiting.

Kind regards,

Richard Warren  
Deputy Head
