24th January 2012

Dear Parents

Year 3 and 4 - Art Days and Exit Point Spring 1

Thank you so much for the fantastic effort that you all put into providing your children with such brilliant outfits for our Victoria day - we had a great day and the children learned a lot about what life would have been like in a Victorian school!

On Monday 30th, Tuesday 31st January and Wednesday 1st February we are having three Art Days so that the children can be inventors and have a go at designing and making their own inventions and machines. On these three days school uniform is not needed so please send your child in with clothes suitable for art and design activities.

During the three days children will be grouped in mixed class groups and experience our different art/design and technology activities. One of the activities will involve junk modelling to create an invention or machine. Children will need to collect a range of objects including cartons, boxes and whatever else they think would be useful, and bring these in a named carrier bag on Monday 30th January.

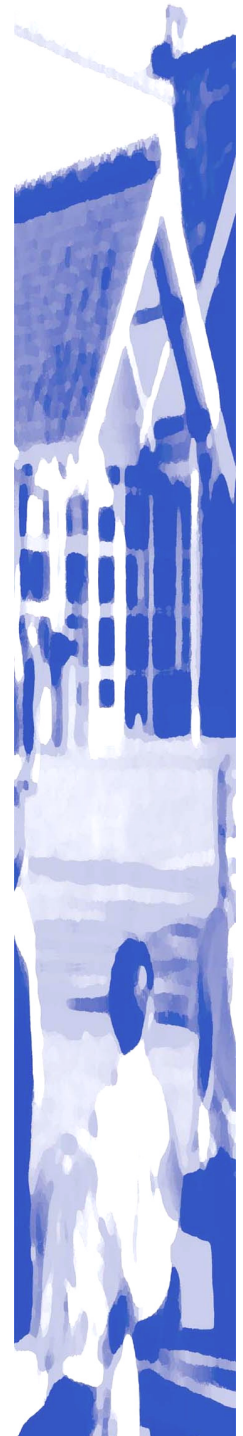

We would like to invite you into our Exit Point Thursday 9th February at 2.30 p.m. This will be an opportunity for you to share your child's learning from this half term's Inventors and Machines unit - and also to see what was made on our Art Days!

Thank you for your continued support.
