Key Stage 1 Update

Dear Parents

IPC

At the beginning of term the children enjoyed a 'Ready Steady Cook' challenge as part of the Entry Point for our current IPC module "We are what we eat". Since then they have been busy learning all about food and where it comes from and are looking forward to sharing this learning with you at our Exit Point on **Thursday 9th February from 2.30pm.**

Reading workshops

I am planning to set up some reading workshops to help some of our children make more progress with their reading. I would like to put together a group of parent volunteers to come into school on Tuesday, Wednesday or Thursday afternoons from 2.15pm - 3.15pm to individually read with a small group of children. This would need to be

a regular commitment so that the children have a regular opportunity to read.

If you are interested in becoming a volunteer please speak to me at the end of the school day. Once I have a list of between six or eight parent's, I will run a short after school workshop on how to participate in 'paired reading' - a specific way of improving children's ability to read confidently.

Safety in the playground

We have noticed that there are Key Stage 1 children climbing on the railings outside the Foundation stage area of the school at the end of the school day. This area is very busy with parents and KS 2 children leaving school and we are concerned it could lead to a nasty accident. Could you please ensure your child stays with you once they have been handed over by their teacher.

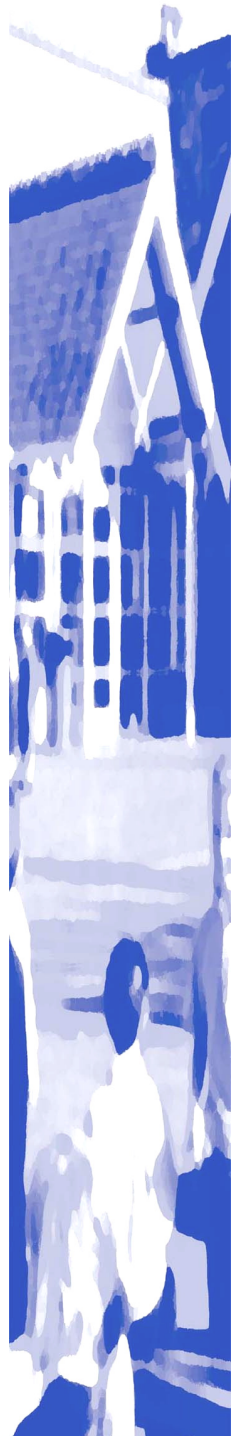

Thank you for your continued support.
