

Dear Parent/Carer,

Maths Takeaway Home Link Survey

I am writing this short survey to acquire as much information as possible regarding the 'Maths Takeaway' board games that the children currently take home on a weekly basis. Due to the current economic climate it is imperative that Bransgore School gets the best possible value out of every resource it invests in.

The Maths Takeaway board games incur significant costs and administrative time to roll out each week. Please answer the following questions honestly so I can evaluate the impact these games make.

1. How often do you get to play these games with your child?

- a. Weekly
- b. Fortnightly
- c. Monthly
- d. Very Rarely

2. Is the games mathematical ability level usually pitched at the right level for your child?

- a. Yes, always
- b. Yes, Mainly
- c. It depends which operation(s) is/are involved (addition, division, time etc)
- d. No, too easy
- e. No, too hard

3. What priority do the Maths Takeaway games take compared to other home learning such as reading, spellings, Mathletics / Education City, multiplication tables etc?

- a. More important
- b. Just as important
- c. Less important
- d. Significantly less important

4. How much does your child enjoy playing a Maths Takeaway game?

- a. Very much enjoys playing the game
- b. Quite enjoys playing the game
- c. Doesn't really enjoy playing the game

Please feel free to write down any further thoughts or comments below:

Thank you very much for your time.
