23rd.

GENERAL TOMBOLA

Fri 18th, Mon 21st,
Tues 22nd & Wed
23rd.

NAME.....

CLASS.....

After the success of the last stamper sheet collecting system for the Summer Fair, the BSA are using the same method to collect donations for the Christmas Fayre. We really do rely on donations from parents in order to make the fayre a success. All donations are gratefully received and we really appreciate your support.

Below is an explanation of what is required from the stamper sheets .

On the reverse of this letter, is the stamper sheet. It has 5 items circled. When your child brings an item into school, the circle gets stamped. When your child has obtained a minimum of 3 stamps, the sheet is handed in to their class teacher for a chance of winning a prize. (one prize per class).

For each item brought in your child will also receive a well done ticket.

If of course you really want to have a good de clutter, your child can enter more than once. Spare sheets will be in the school office.

To give us time to sort the donated items, we will start collecting in the morning at school drop off time on **Friday 18th, Monday 21st, Tuesday 22nd and Wednesday 23rd November. (Cakes only please on 25th November)**. Your child will need to bring their sheet to obtain their stamp. You can of course bring all your items except cakes in on the same day if it makes it easier.

CHOCOLATE Any box or bar of chocolate for our chocolate tombola

CAKES This is a very popular stall!! Please cover with cling film or foil and bring in on Friday 25th November. If you require a paper plate, there will be a supply at the office.

GENERAL TOMBOLA any items such as toiletries, toys, books, grocery items, gifts, etc. Again another popular stall!

BOTTLES Any bottles of wine, spirits, fruit juice, sauce, water, bubble bath, mouthwash, toiletry bottles, cooking oil, etc suitable for our bottle tombola stall.

SWEETS Any wrapped sweeties for the sweet stall. If you would like a cup to put them in, a supply will be in the office. Even just a handful of sweets is a big help.
