

HAPPY NEW YEAR

8 January 2010

Dear Parent/Carers

As it's back to normality after the holiday, some updates of information for you.

Parent-Teacher Consultations - Key Stage 1 and 2

- Tuesday 2nd February 3.45 p.m. - 6.15 p.m.
- Wednesday 3rd February 3.45 p.m. - 6.15 p.m.

As the basic skills of English and mathematics are key to all learning and communication in life, we are offering you the opportunity to book an appointment to discuss your child's learning progress with the **Maths** and **English** teacher.

These appointments will take place in the school hall. As each appointment is for ten minutes only, please book a 'Drop In' appointment (available every Wednesday) if you require more time or wish to talk to the **Class Teacher**.

Key Stages 1 and 2 - As the consultations are for a **Maths** and **English learning focus**, appointments are booked with your child's **Learning Group Teacher**. We will be covering the following areas:

- **Progress** where your child is **now** measured against the national benchmark
- **Next Step** what exactly your child needs to work on to make further progress.
- **What parents can do to help**
- **Checks on attitudes and effort**

Headteacher
Mr Peter Pretlove

At Easter we will be sending home a formal written report. We have reduced the amount of unnecessary information to concentrate on updating you on the areas discussed at the February consultation. We will be involving the children in their report, where they will write their own section, (my next step in learning is)

In July we will be sending home the results of the standardised tests for Years 2 - 6.

We feel that it is too late to have consultations and reports at the end of a school year. Together, as child, parents and teachers, we can make a real difference in a child's life and learning if we all know the issues.

Foundation Stage

I realise that you had consultations late last term and fully appreciate that you may not feel another meeting is needed. Please only book if you feel that you would like a further update.

Please return the attached slip as soon as possible. We will write back and confirm the date and times.

Thank you.

Best wishes

Peter Pretlove
