Primary School

Dear Parents/Carers

Extended Schools Update

I am delighted to let you know that the After School Club (The Phoenix Club) is to be managed by a well established and highly commended group called the 115 Club. The 115 Club runs a number of extended school's clubs locally and has developed an excellent reputation and standing with the Education Authority.

On a practical basis there will be no change to the service, with the existing structure remaining unchanged. However, with the established 115 Club taking over the management, it will enable formal OFSTED approval to be reached which, in turn, will enable longer opening hours and the establishment of holiday and Inset Day Clubs.

This move in no way threatens the existing services, but will actually guarantee it's long term survival, whilst allowing the School and the Church to return to what they do best. The 115 Club being a specialist in Extended School Clubs will be able to build on the established base and develop much needed additional services.

The Breakfast Club is not affected by the changes and remains under the management of Bransgore School.

I would like to take this opportunity to thank everyone who has worked so hard to establish the Phoenix Club and those families that have supported it. I hope that as the After School Club is now much more established and guaranteed, more families will consider using the service if they find the need.

Yours sincerely

Dr. Steve Tomkins
