Years 3 and 4 September Update

Dear Parents/Carers,

Welcome Back! I hope you had a fantastic summer and by the looks of their summer diaries, the children certainly have. Thank you for supporting your child in completing these, the team has loved sharing their adventures with them. The team, Mrs Mayall, Mrs Emecz, Mrs Waite, Mrs Nyland, Mrs Graves and I, are really excited about the superb learning opportunities ahead, and are very encouraged by how well the children have returned following their summer break.

All this excitement continues tomorrow **on Wednesday 12th September, when we are going to launch our Stone Age topic with a day of arts and crafts. For this launch, it would be great if the children could come to school dressed up as a Stone Age person.**

In addition, we have a trip to Salisbury Museum, to continue our exploration of this interesting period in history. The dates are:

Year 4 - Tuesday 2nd October

Year 3 - Wednesday 3rd October

Further information to follow shortly.

Healthy Schools

Just a reminder that Bransgore is a 'Healthy School' and as such we support the government's initiative to help children and young people to grow healthily, safely and responsibly. If you choose to supply a snack for your child to enjoy at break time, I ask that it be a healthy nutritious snack and be accompanied by a bottle of water (not squash).

Healthy Schools

Homework

Each week the children will receive literacy and numeracy homework, we ask for your support in this as it is noticeable in the children's progress. Further details will be provided at the settling in meeting.

Settling in Meeting

We would like to invite you to join us for a meeting **on Wednesday 26th September** at either **3:30pm or 3.55pm** to meet the children's new teachers and to outline plans for the year. This will be a great opportunity to meet other parents and for us to answer any questions you may have.

We look forward to working with you and your children for another great year at Bransgore.

Aidan Richards
