

WHEN IS PLASTIC FANTASTIC?

Recycling Info Meeting at School

Date for your diary: 3.30pm Thursday 28th Feb

**I know we are all fed up with it: the single-use plastic
that constantly flows into our homes.**

**Come along and find out *how* and *what* you can
recycle and share solutions and ideas. Mandy Preece
and Jen Hart are going to act as collectors for some
plastic (for Ellie's fund) as well as School. Find out
what goes where and together let's raise some money
for charity and reduce our plastic waste!**

**Hope to see you there. In the meantime, if you want
to get saving – see the list below of the things we can
take 😊**

Have a great half-term!

We've already raised over £62,000 from our recycling efforts – that's more than 20 days of research into brain tumours – however, each day of this vital work costs £3000. Can you help us to raise this every month?
