Dear Head Teacher.

Cedar Veterinary Hospital would like to invite your pupils to a

At Greyfriars Activity Centre

We are pleased to be able to offer this FREE workshop for parents and children in association with the Dogs Trust. The relationship between a dog and its family is a special one, unfortunately when a child gets bitten, it's often a dog they know and all too often in the place we least expect it like our own home.

This workshop is aimed at being safe around dogs at home and in the community. The workshops are for dog owning and non dog owning families covering the following areas
