Dear Parents/Carers of Year 6,

Bikeability

The above training has been provided by Hampshire Bikeability providers in the last few years, for Year 6 children at Bransgore School. This training was free to the school and funding came from the Department for Transport. Unfortunately, this year, it has been hit by Government funding cuts and when we tried to book in September we were informed there were no places available. The Hampshire providers for Bikeability have told us: 'As you are aware we have unfortunately had a cut in Government funding for the Bikeability programme, which has resulted in our funding being reduced by 20% (approx. 2000 less places per financial year).'

We, as a school, are very disappointed and understand that both children and parents will also be disappointed not to receive this valuable training.

Mrs Mayall and Mr Green are planning the summer post-SATS timetable for Year 6 which will of course involve a production, and more details of this will follow soon.

Mrs Pollitt
Deputy Head
