Forest Schools Summer Term Programme 2016/17

Dear Parents/Carers,

As we prepare the children for their transition into Year 1, our Forest Schools sessions will revert back to fortnightly experiences. These will take place on alternate Tuesday afternoons, please see dates below.

We have found that this time in the woods has been really beneficial to the children's progress and development this year, but we could not have done it without your support, thank you. We will require a few volunteers to run these final sessions, if you are able to help please let us know on the form below.

Thanks as always for your support in providing this opportunity for your children.
