Year 6 Summer Dates

Dear Parents/Carers,

Good news! After being told earlier in the year that the summer term was fully booked for **Bikeability**, we have been offered a cancellation date by the Hampshire provider for this, which is fantastic. So Bikeability training will be delivered to Year 6 in the week beginning **Monday 17th July (which is the last week of term)**.

The training will last from Monday – Thursday and more specific details will follow closer to the event. This has always proved to be popular with Year 6 in the past and such an important life skill so we are delighted that it is able to go ahead. As a result of this training, we have moved the time and date for the Year 6 Leavers Service.

We have also had a phone call from the **Houses of Parliament Education Service** offering us an alternative date for our postponed visit. So this visit will now take place on **Wednesday 24th May**. The timeslots we have been allocated for our tours are 11.15am and 11.45am, so the coach will be leaving school at **8.00am promptly**. We anticipate that we will be back at school at 5.00pm but will inform you by text if the coach is delayed. As we already have permission slips and payment for this trip, we will assume that all children will be coming on this trip and take current medical/contacts forms with us. **If there are any changes to these, please let the office know.**
