**Final Osmington Update 2017**

Dear Parents/Carers,

Osmington Bay is nearly upon us!

At the Osmington Parent's evening there were a few queries which I said I would get back to you all about.

This year Osmington are not providing us with luggage labels; the children should know which suitcase is theirs, but you might want to make their own luggage label to stick on their bag. In previous years parents have tied ribbons, etc, round so that the children can identify their luggage.

The beds are all provided with sheets, children will only need to bring a sleeping bag (or duvet) and a pillow.

Warm clothes are still necessary, even if the sun is shining.

On the morning of the 24<sup>th</sup> April 2017, we will be leaving school now at an earlier time of 11am. Therefore, we will not have enough time to visit Forest Schools in the morning.

Please don't forget to label all medication. Mrs Catton will be at the front of school that morning to collect any medication.

Remember to check the blog for daily updates from our trip!

Have a lovely Easter holidays.

Miss Gibaud
