KS1 Summer 2 Update

Dear Parents/Carers,

As we move into the last half term, it is promising to be a busy one! We would like to share some exciting events coming up in Year 1 and 2 this half term.

Science Dome Planetarium

On the first day back to school (Monday 5th June), we will all have an opportunity to experience a simulation of the Apollo moon landing. This will be run by a company called 'Science Dome'. This will also be the Entry Point for KS1 and their new topic of 'Voyagers'. Each year group will have a 45 minute session and we would appreciate a voluntary contribution of **£3.00** to assist us in enriching your child's learning. Please hand this in to the School Office with the attached slip **by Wednesday 24th May**. Thank you in advance.

KS1 Topic

Our new topic of 'Voyagers' will cover:

- Finding out about Neil Armstrong.
- Investigating how to make a rocket.
- Learning the names of the seas and oceans in the world.
- Finding out about different climates around the world.
- Making 'space art'.

Home Learning Project

We'd love to use this topic to get children's imaginations flowing....and what better way than to plan and write a story about a voyage! The children can write their story in first or third person (depending on whether they want it to happen to them) and can be written or typed. It can be presented in anyway the children wish but we would love for them to share it with the class themselves so they can be proud of their achievements! Please send them in when they are ready, preferably **by Friday 7th July** so we have plenty of time to share them. Good luck!

Sports Day

We would like to invite you and your family to our **Jungle Team Sports Day** on **Thursday 15th June at 9.30am** on the school field (access through the SCITT gate). Adults, please wear your trainers as we would like to start the session with a group warm-up and there will be the opportunity to run in our fun parent races!

Bransgore Church of England Primary School

Ringwood Road, Bransgore, Christchurch, Dorset BH23 8JH
T: 01425 672272 Fax: 01425 674554 www.bransgoreprimaryschool.co.uk
Head Teacher: Mr. Paul Brown

Your children will come home from school on Tuesday 13th June wearing their PE kit (with their school uniform in their PE bags). Children should wear their PE kits to school for the whole day on Sports Day.

Please also ensure your child has a drinks bottle, hat and sun cream already applied for this exciting day.

In the event of bad weather and us having to cancel, we will send a text by 9am on this day (fingers crossed for a beautiful, sunny day).

Forest School Dates

This half term, we would like to get up to the Forest School site a few times, once for a Maths lesson and once to complete our Science longitudinal study. On the dates below, please make sure the children come to school wearing long trousers/leggings to prevent the risk of ticks now the weather is warming up. They should also have waterproofs and wellies in case of bad weather. Year 1 will be visiting at 9am and Year 2 at 10.40am for an hour. Please let the School Office know if you are available to come along and help!

- Maths session – Monday 19th June
- Science session – Monday 10th July

Exit Point

We would like to invite you to this year's final Exit Point where the children have the opportunity to show you the work they have completed during topic learning time. This will take place on **Friday 14th July at 2.30pm**. Please come in through the School Office. We look forward to seeing you there!

Have a lovely Half-Term!

S.Cobb
KS1 Leader

KS1 Science Dome Planetarium Monday 5th June

Please return to the School Office by **Wednesday 24th May**.
