

AR/LL 17.05.17

**Foundation Harrow Farm Walk**  
**Tuesday 23<sup>rd</sup> May 2017**

Dear Parents/Carers,

We are very excited to let you know that we have arranged an additional Forest Schools session on the morning of **Tuesday 23<sup>rd</sup> May 2017**.

In this session the children will walk further into Harrow Farm woods, observing the flora and fauna, in addition to the signs of animal life that may be present in this less frequently walked section of the forest.

Following this, the children will walk onto Harrow Farm to learn about a working farm and its produce. We have also arranged for some other exciting surprises that will become apparent on the day.

On the morning of the 23<sup>rd</sup> May, children will need to come to school in **wellington boots and weather appropriate clothing**. Long sleeves and trousers **must** be worn regardless of the weather. If there has been recent rainfall then children will also need waterproof trousers and coats.

The children will be having snack time up in the forest, a healthy fruit snack and water will be provided by us. We will be leaving promptly after morning register, returning in time for lunch.

Lions Forest Schools on the afternoon of the 23<sup>rd</sup> May will continue as normal.

If you have any questions regarding this exciting adventure, please do not hesitate to ask. In addition, if for any reason you do not want your child to take part in this visit, please let the office know immediately.

Thank you for your support.

Aidan Richards  
Foundation Stage Leader
