## **Bransgore Breakfast and After-School Club**

Dear Parents/Carers,

As you are aware, our school has taken the strategic decision to take the Breakfast and After School Club into school management. This is a budgetary decision and reflects the dire state of current school funding as we strive to maintain our provision with ever dwindling budget in real terms. As stated previously, our decision is a strategic financial decision and in no way implies any dissatisfaction with the outstanding level of care that has been provided to our children by the 115 Club over the past ten years.

I am aware that many parents will be anxious to have childcare for the Autumn sorted out and so we have the following information to share with you.

### **Opening times will be:**

Breakfast Club: **7.30am to school start** (venue: School hall)

Breakfast Club Leader: Mrs Gray, Support Staff: Miss Cornish

After School Club: **15.20-17.45** (venue: school library, hall and break out spaces)

After School Club Leader: Mrs Wheeler, Support Staff: Miss Cornish

Bank staff for both clubs will come from a number of school support staff including Mrs Bessant, Mrs Staddon, Mrs Pidgley, Miss Pidgley and other staff.

This allows us to be very flexible about the number of pupils we are able to take and as a result no parent who wants their child to attend After School or Breakfast Club will be refused a place due to numbers. We will be able to take as many pupils as required to meet demand so there will be no waiting list in operation.

### **Pricing Structure:**

We have tried to maintain or slightly reduce existing prices.

Breakfast Club: **Regular £3.50 per session. Non-regular: £4.50**

(Breakfast Included in the £3.50 daily charge)

Breakfast supplied by the school kitchen with a choice of:

- Cereals with milk – these include Weetabix, Cornflakes and Rice Krispies.
- Toast & Butter – this can be provided with jam portions, marmite portions or baked beans.
- Yeo Valley Yogurts
- A choice of drinks – water, milk, orange juice or apple juice
- Porridge
- Fresh fruit
