## Online Wall of Remembrance

Dear Parents/Carers,

To honour Remembrance and to help our children understand how conflict has affected so many families in our country and throughout the world we have developed an Online Wall of Remembrance which we would like to share with the children on Friday in school.

You can add anyone you wish to remember at this time of year on our wall. We would love it if you could add messages, photos, sound files, anything that you feel is a fitting way to remember a loved one or friend who served or contributed through the years.

It is really easy and there are already a few up there so you can see how it is done.

If you do not have access to a computer or would rather we added a message for you, please add your comment to the little Red Book of Remembrance we have placed in the foyer at school and we shall transfer the comment for you but it really is very, very easy.

Please help us to give the children an understanding of the power and importance of Remembrance.

Thankyou,

Mr. Brown
