Head Bumps

Dear Parents/Carers,

We are no longer sending head bump slips home, as you will be notified to each minor head bump via a text message.

If we are at all concerned/worried or a more major bump to the head occurs a member of staff will contact you.

The children will carry on wearing head bump stickers as a way of indicating to all members of staff that they have had a bumped head so can be monitored throughout the day.

If you wish for more information please speak to the teacher at pick up time.

Many thanks,

Paul Brown
