Reading Spine

Dear Parents/Carers,

There is a huge wealth of top quality children's literature available and we are keen for our children to experience as many of these most excellent reads as possible. With this in mind, lovely Mrs Cobb developed a Bransgore Reading Spine before leaving us in the summer. There is a different Reading Spine for each year group with a suggested list of amazing books suitable for this age group.

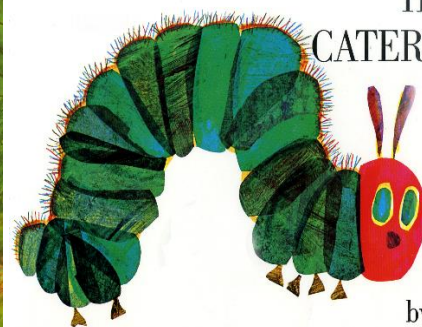

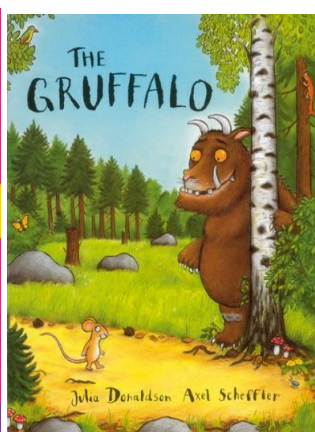

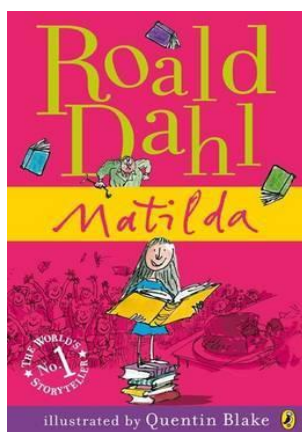

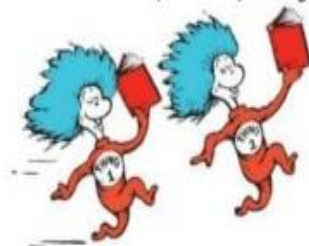

Every child has a copy of the Reading Spine for their year group which is kept in their classroom. The Reading Spines for each year are now available on our website for you to have a look at www.bransgoreprimaryschool.co.uk. Copies of these books are available in school and children will be encouraged to read as many titles as possible from the Reading Spine for their year group.

We have talked with the children in assembly about the new Reading Spine and many have already started books from it. Children can let their teachers know when they have completed a book and this will be recorded on their copy of the Reading Spine. Please encourage your child to read these books, maybe a visit to the library to find one or an idea for a birthday present.

Thank you for your continued support in helping your child become the very best reader they can possibly be and helping them develop a love of books.

Nikki Pollitt
Deputy Head

The MORE
that you read,
the MORE things
you will know.
The MORE that you
learn,
the MORE places you'll go.

THE VERY
HUNGRY
CATERPILLAR
