Year 5/6 Home Learning Easter Task

Dear Parents/Carers,

Our next term's topic is '**They see the world like this**', in which the children will learn about some of the impressions that different artists have recorded and created about the world.

Over the Easter holidays, we would like the children to produce a piece of research into 'Impressionist' artists (this can be typed or written with illustrations) **or** produce an 'Impressionist'-style painting, and share it with the class during the first week back.

We hope this task will be exciting rather than daunting...

Thank you for your support with this task. We look forward to sharing their creations.

Year 5/6 Team
