KS1 Update

Dear Parents/Carers,

Merry Christmas everyone! We have nearly made it to the end of a very busy, exciting and LONG term; well done to children and parents!!

Thank you to everyone for your support and engagement in our nativity 'Born in a Barn'. We are having a wonderful time learning it and definitely feel very 'Christmassy'! It's always lovely to be reminded of the story behind Christmas.

We look forward to seeing you at our Nativity productions on –
Tuesday 17th or Wednesday 18th December at 9.30am in St Mary's Church.

Spring Term

Next term our topic is called 'What do you do in an emergency?'. This topic will look at the emergency services, with a visit from the Fire Brigade! We will be learning about the following:

- What the emergency services are and what they do.
- What an emergency is.
- Who Florence Nightingale was and her impact on the nursing world.
- Who Mary Seacole was, making comparisons with Florence Nightingale.
- How we can stay safe. This will also include online safety.

In Science, we will be:

- Notice that animals, including humans, have offspring which grow into adults.
- Find out about and describe the basic needs of animals, including humans, for survival (water, food and air).
- Describe the importance for humans of exercise, eating the right amounts of different types of food and hygiene.

We will also be designing our own healthy lunch box and doing some cooking. Watch out for the request for some parent help with this!

Forest School

Next half term we will be visiting the forest on the following dates:

Yr 1 – Thursday 30th January 9am - 10.15am

Yr 2 – Wednesday 29th January 9am - 10.15am

Please make sure your child comes to school appropriately dressed (arms and legs covered) and with suitable footwear. If you are able to help on these days, please let the School Office know.

Have a wonderful Christmas and a Happy New Year!

KS1 Team
