Foundation Newsletter: January 2020

Dear Parents/Carers,

Thank you for all of your support last term with home learning, your contributions to Tapestry, your support for our Nativity and all of your help at Forest Schools. Thank you also for all of your kind words and gifts. We hope you all had a restful Christmas and are looking forward to an exciting new term and new year!

The Big Science Party:

We would like to invite you to join us for our next big learning event which will be the 'Big Science' party, an afternoon of hands on scientific experiments on **Monday February 10th at 2pm.**

Forest Schools:

We will be continuing our Forest Schools sessions this term on Tuesdays. As always, we will be looking for parent helpers to support us in the visits. We really value the help of the parents who play an integral part in our Forest School learning and we would ask that you sign up to help if you can on the sheets on the door. Thank you for your ongoing support in this. Please find the dates below for next half term's sessions (the first session will be for both Lions and Tigers together).

Tigers	Lions
Tues 14th January	Tues 14th January
Tues 28th January	Tues 4th February

Reading:

We will now be visiting the library each week on **Thursdays.**

Rather than specifying a day when we will send their phonics Read Write Inc book home, we will be sending the book home to share when we have completed the learning cycle in school so that the children are really confident reading the book and can show you how fabulous they are. This may not be on the same day each week.

Please return your child's wallet and book once they have shared the reading book with you at least twice so that we can then send home the new book. We will try to ensure that your child brings home one book a week to share with you, this may be their Read, Write Inc book or alternatively an appropriate banded book.

Many thanks for your support.
