World Book Day 2020

Thursday 5th March

Dear Parents/Carers,

This year's World Book Day is to be held on **Thursday 5th March**. This year the theme will be **'Share a million stories'**.

To celebrate this event, we would like your child to **come to school dressed as a book character.**

To celebrate this year's theme, we will be setting each class a challenge in Worship – to share a story to the rest of the school. Each class will focus on one story and complete different activities throughout the day i.e. role play, dance, art etc. that will help them to 'share their story' in an end of day assembly to the school.

We look forward to a day enjoying books ☺

Thank you for your continued support in your child's learning.

Sarah Cobb
English Leader
