

Year 5 & 6: Mad Science Week!

Dear Parents/Carers,

Wow, we were so impressed with the pictures we received of your fantastic art work last week! I reckon we have the next Picasso in Year 5/6!

This week our theme is going to be: **Mad Science Week!**

Here are some suggested activities and ideas that you may want to do over the course of the week. This work will not be marked, but please feel free to send us pictures on Gmail or Google Classroom.

Experiments:

- Coke and Mentos <https://www.science-sparks.com/infamous-coca-cola-mento-trick/>
- Make a Lava Lamp <http://www.planet-science.com/categories/experiments/chemistry-chaos/2011/07/make-a-lava-lamp.aspx>
- Squishy circuits
- Conditioner and Corn Flour slime <https://ourbestbites.com/2-ingredient-silky-smooth-play-dough/>

We are also going to be learning about famous scientists/inventors.

Here are the 4 main scientists/inventors that we will be learning about this week, but there are lots more out there for you to research!

- Marie Curie
- Thomas Edison
- Libbie Hyman
- Stephen Hawking

As always, we are always happy to see your work from home, so please feel free to send them over!

The Year 5/6 Team.
