Year 5 and 6 Home Learning 2020-21

Dear Parents/Carers,

Home Learning for Year 5 and 6 will begin from Wednesday 16th September 2020.

All home learning will be set on the Google Classroom platform used during lockdown. Your child should already be set up to access this. Please contact your child's learning group teacher if there are any problems in using Google Classroom.

Year 5 Home Learning:

- 20 minutes minimum reading daily
- Maths approximately 20-30 minutes per week. Set Wednesday to be completed by following Monday
- Spellings – set Wednesday for test on the following Monday

Year 6 Home Learning:

- 30 minutes reading daily
- Maths 30-40 minutes per week. Set Wednesday for completion by following Monday
- Spellings – set Wednesday for test Monday
- Grammar and Punctuation 20-30 minutes per week set Wednesday for completion by Monday

Please note the following points:

- If your child finds the home learning difficult or is becoming distressed please just leave the home learning and let the learning group teacher know
- Similarly if they can't complete it in the suggested time please don't worry. Just drop an email to the learning group teacher explaining what they were finding difficult
- Your child may notice other Maths or English work set on Google Classroom –THIS IS NOT TO BE COMPLETED – we currently are mirroring the daily learning in class on Google Classroom so it is available should any families have to isolate.
- If your child needs to contact their learning group teacher with an issue regarding home learning ONLY they can use the email address below. All other messages and communications from parents should be addressed to the school office who will pass the information on to the relevant members of staff.

Year 5 Learning Group Teachers:
