## Foundation Update on Events

### VIP:

As you might have seen on our Instagram feed, we have begun celebrating our Lion and Tiger VIPs. Each week one Lion and one Tiger is randomly selected so that we can celebrate how special and unique they are! Everyone will have a turn being the class VIP for a week. When it is your child's turn we will ask you to upload pictures and videos of their five favourite things to share with the class and we will invite you to the VIP assembly on Friday morning to hear their certificate being read out.

Please bring back into school on the following Monday your red washed VIP Jumper so we can pass it on to our next VIP.

### Big Christmas Craft:

We are hopeful that we will be able to invite you to our Big Christmas Craft on Wednesday the 8th of December at 2pm for an afternoon of glitter and glue!

Please wear a face covering and lateral flow before this event.

### Nativity:

We are getting very excited about our Nativity now and we are currently planning to go ahead with our performance in the Church on Thursday the 16th of December at 9.30am.

We are casting the show this week and the children will be able to have a choice of the parts they would like to play. We have a store of costumes in school and we will endeavour to provide all the children with a costume from this store.

In order to limit numbers and to stay as safe as possible, we will ask that only **2** people per family attends and that all adults wear a face covering. We plan to make a video of the performance that we will post to YouTube for those who cannot attend in person. Photographs of your child in costume will be available to purchase (for a small fee) with proceeds going to the BSA.

### Workshops:

Thank you for your support of our workshops so far. We will reschedule the Maths and PSED workshops in the New Year and let you know the dates nearer the time.

We continue to monitor the COVID situation closely and in the event of a high number of cases we may need to review the above events.

Best Wishes,

The Foundation Team
