Queen's Platinum Jubilee Celebration

Dear Parents/Carers,

With the soon approaching Queen's Platinum Jubilee, we would like to initiate those celebrations prior to half term and have our own little 'picnic party'. On **Friday 27th May**, the children can come to school wearing colours of the Union Jack; red, blue and white. The children will have been learning about Queen Elizabeth and the importance of this celebration all week and what better way to celebrate than a mini party at the end of the half term?

The 'picnic party' will take place on the Friday afternoon on the school field (weather permitting). We will provide water and squash as well as a traditional cream tea (scones, jam and cream). Biscuits will also be offered as an alternative. If your child has a specific dietary requirement, you are very welcome to send an alternative snack in.

We ask that you please donate £1 per child to The BSA, for our picnic party. There will be collection tubs at the school entrances and all donations are greatly appreciated.

End of the school day collection will still be at 3.15/3.20pm.

We look forward to celebrating this momentous occasion!
