Year 6 Production: 'The Road to Neverland'

Dear Parents/Carers,

Our Year 6 pupils have been working really hard on their end of year production 'The Road to Neverland'. A huge well-done to everyone for their efforts so far, and after half term we are looking forward to going 'script-free' in preparation for the performances.

There will be two performances to parents and family, on **Wednesday 29th June** and **Thursday 30th June, at 7.00pm**. Younger brothers and sisters at school, will watch a full dress rehearsal during school time that week. Please be sensitive about bringing younger children to watch in the evening. If you know your child will be absent on these dates please let us know asap, so that we can amend casting.

As there is limited seating in the hall, we will initially be offering two tickets per family per night, **if ordered before Wednesday 15th June**. Additional tickets will then be available **on a first come first served basis, from Thursday 16th June**. There is only one cast, therefore the roles will be played by the same performers on both nights.

There will be **no charge** for tickets, which will be available via <https://theroadtoneverland.eventbrite.co.uk> from **Wednesday 8th June**. This year we will also be offering a professionally printed programme, which will need to be ordered in advance via the option on the ticket order form, these will be £3 and will contain photos of every child.

The children will need to be dropped off by **6:15pm** on the evening of the performances. Our fantastic BSA will be selling drinks and nibbles for parents on the back field from this time, weather permitting. In addition, we will take whole cast, individual and small group photos which will then be available to order, more details to follow.

Thank you in advance for your continued support, this is one of many exciting experiences we have for the children during the summer term. Along with continuing a healthy diet of maths and English and transitional work preparing for their next big adventure at secondary school.

Please do not hesitate to contact us should you have any queries or questions.

Many thanks,

Miss Fitzpatrick and Mr Richards
